

We the undersigned late members of the
Main Street Christian Congregation hereby
express a desire to return to said congregation &
although we are not now prepared to admit
under all the circumstances that surrounded us
at the time we withdrew & organized what
is called the Second Christian Church that
we did wrong; yet we are now satisfied
that said withdrawal & organization has
resulted in great injury to the cause of Christ
& Ky University therefore we regret said
organization & it is our wish to be restored
to the fellowship of the congregation
