"LIBRARIES OF THE USSR" EXCHANGE, JULY 10-24, 1983

The Citizen Exchange Council, a nonprofit, non-governmental organization that designs professional and cultural exchange programs to the Soviet Union, announces a professional exchange, "Libraries of the USSR," from

July 10-24, 1983. On-site meetings with Soviet library professionals in Moscow, Riza and Leningrad are planned. There will be demonstrations and round-table discussions of Soviet libraries' services, structures and funding. In return, American librarians are encouraged to present information relevant to their own institutions' practices.

The American Library Association is sponsoring this in-depth exploration of Soviet Library systems as an extension of its support initiatives addressing the international responsibilities of the library profession. CONGRATULATIONS FROM LSO

Jane Dean and Jean Robinson were honored at the LSO Christmas Luncheon in December for having worked in the library system for 25 years. I talked with both of these women and found out some interesting things that I'd like to share.

JANE DEAN, a technician in serials, lives in Versailles with her mother and her daughter Sylvia who is studying computer science at LTI. Jane has actually worked for the library for 28 years -- she worked 3 years, quit for a few months and then decided to return. The honor she received was for 25 years of CONSECUTIVE service. Jane began as a typist "back when we typed every card -- subject entries, added entries, everything!" She is grateful to have had excellent teachers and supervisors, people like Miss Katterjohn and Evelyn Evans and others who have shared their knowledge freely with her. Jane likes her work and feels fortunate to be working with such a good group of people. She is a member of Glen's Creek Baptist Church in Woodford County and most enjoys going home after work and just plain relaxing!

v. 15, no. 15
January 17, 1983

Jean Robinson, left, serials technician in King Library, and Jane Dean, secretary in cataloging, are congratulated by Paul A. Willis, library director, for their 25 years of service each to the library. The two women were honored during a holiday luncheon at the library.

JEAN ROBINSON thought she would stay at the library about six months when she began working. But, here she is, a few months longer than that, working in the cataloging department. She worked in a photography studio and then got married to her husband Clarence when he returned

from the war. They have been married for "going on 40 years" and have two children -- Sue, who works in Jacksonville, Florida with displaced homemakers, and Steve, who works with his father in the family business, Robinson Body Shop on East Vine. Clarence and Jean also have three grandchildren, one of whom was in Jacksonville's Junior Miss pageant. Jean is active in her Sunday School class of Porter Memorial Baptist Church and is also in a city bowling league. (She rolled a 184 a week ago Tuesday!) She enjoys travelling and both giving and going to parties. If you need to know anything about parties, just ask to see the notebook she has compiled. Every thought of publishing it, Jean?

FROM LSO

The 1983 LSO officers have met and we've got some great ideas and a lot of enthusiasm for LSO for this year.

We want to start things off right with a Valentine's Day Tea on Friday, February 11th at 3 p.m. in the Staff Lounge in King North. The main purpose is simply to get together again (Christmas seems like a long time ago) and meet and greet friends old and new. We will introduce the LSO Departmental Representatives and get the membership campaign rolling in fine fashion!

Dues for 1983 will remain at a very cheap \$3. We want to have the membership campaign wrapped up early in March so that we know how much fund raising will be needed. (The 1983 Treasurer's report will be in the next WAX BEAN. From that you will get an idea of where the money goes. I was surprised at how much things like the Christmas Luncheon cost!)

You will be getting a flier about the LSO dues in the mail shortly. Bring the membership form and your \$3 to the Valentines Day Tea on February 11th!

We are also looking for willing souls and hard working bodies to serve on LSO Committees. So far the committees are

- Social Committee (see Cecil Madison)
- Program Committee (see Perry Bratcher)
- Staff Lounge Committee
- Bylaws Committee

Contact any of the officers if you are interested in working on a committee. Comments, criticisms, etc. are always welcome.

The 1983 LSO Officers are:

President -- Karen Croneis Mathematical Science Library 7-8365
Vice President -- Perry Bratcher SOLINET 7-8392
Secretary -- Cecil Madison Mail Room 7-8385
Treasurer -- Barbara Hale GPD 7-3139
Ombudsperson -- Judy Fugate Collection Development 7-5895

We are looking forward to seeing you on the 11th. Y'all come now!

FROM THE STAFF

WELCOME BACK to CATHY HUNT after a brief stay in the hospital. We are glad you are up and around.

JEAN WHITNEY wishes to express her thanks to LSO and her friends in the library for their kindness during her stay in the hospital last fall.

THANK YOU LSO

Dear Gwen,

I sincerely thank you and the LSO for your expression of sympathy at the sad demise of my father. I appreciate your thoughtful offer of making a contribution in his memory to my favorite charity. I suggest that the contribution be made to the Heart Fund.

Thanking all of you once more.

Nuzhat

Dear LSO Members,

I want to thank you for the beautiful roses. I was so surprised and pleased.

I will remember this day for a long time and remember all the kindness you all have shown me.

Sincerely,

Jean Robinson

Dear LSO Members,

The red roses you gave me for me twenty five years of service were lovely and I appreciated them so very much. It is a pleasure to have such nice and thoughtful people to work with. Thank you.

Sincerely,

Jane Dean

I wish to express my appreciation for the many cards, letters, flowers and donations that were made in memory of my mother, Grace Crutcher.

My sincere thanks to each of you.

I want to thank you and LSO for the thoughtful Christmas gift. My family and I enjoyed reading the Lexington book over the Holidays. Let me thank you, too, for presiding at the Christmas lunch -- excellent as usual!

Thanks again and best wishes for 1983.

Sincerely,
Paul Willis

This is to thank each member of your organization who contributed to the generous amount which was collected from you staff and patrons for the patients' Christmas.

The money was used for poinsettia plants this year. We were able to obtain them at \$1.00 per plant and they were beautiful. Growing plants are some of the patients' favorite gifts. They seem to miss green things when they are confined to the Hospital. The Hospital was aglow with the lovely Christmas plants. I know that more persons appreciate your gifts than I can enumerate.

Please express our gratitude, on behalf of the patients, their families, and the hospital staff, to your people.

Sincerely,
Mary J. Ireland
Volunteer Director

WAX BEAN SPROUTS!

As you can see the WAX BEAN has once again sprouted. If it is to continue to grow it will need your help. The WAX BEAN is by the staff so we need your contributions. Please keep us in mind and let us know about yourself. Items can be submitted to me at any time. When I have enough "news" (sometimes it's not so new) I'll put out a WAX BEAN. I know you all enjoy reading it so let's keep it growing.

Toni Powell
